

Mini  
**IVANHOE**  
 PAPER  
 Shops

We recommend printing out on heavier weighted paper for easier construction or use a little glue or tape for lighter paper.

-  Colour & style your shop first
-  Cut along outer solid lines
-  Fold along dotted lines
-  Build your shop, photograph & submit for your chance to win\*

\* see website for terms & conditions.

Adult supervision recommended for little ones.

Submit your entries here
